

### **Richard Bennett Speaking in NJ & NY**

Catholicism needs to be addressed, as it may appear to be a normal form of Christian life. People always like to have all aspects of life under their own control, and in this respect Catholicism has everything “on tap,” as it were. However, the impossible difficulty is the inner emptiness that rituals bring. In the face of this, a person must examine official Catholic teaching in the light of Scripture. The real Christian’s hope is that the Spirit of God will beget a man to new life in Jesus Christ. Richard will address this in NJ and NY from April 23<sup>rd</sup> to the 25<sup>th</sup>.
